Thank the people who help us: Christmas tree greetings card
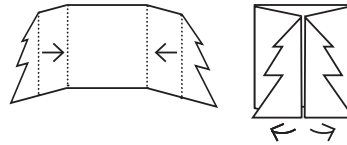

The Postal Museum

EQUIPMENT

- This template printed onto A4 card
- Scissors
- Ribbon/string
- Decorating materials e.g. stickers, pens, coloured pencils

1 Cut out the template below.

TIP: Adults, you might need to help with the tricky bits, including the cutting out.

2 Fold sections 2 and 3 towards the middle of the card. Fold sections 4 and 5 outwards. Once folded it should be a square card with the Christmas tree facing you.

3 Decorate using any design you want. Don't forget to add your message inside!

4 Finish by using the ribbon to wrap around the card and tie into a bow.

Your card is now ready to be sent. Ask your adult to help you hand it to your postie or find an envelope and stamp and pop it in the post.

Remember to make sure it is posted in time for the Christmas Post!
